SPIRIT Educational Program
334 Pleasant Street Pawtucket, RI 02860

What is SPIRIT?
SPIRIT is a fun educational program which runs during the summer and continues through the school year. This year will be SPIRIT's 33rd year. Our goal is to get students excited about learning and their futures. We do this by taking students out of the classroom and exposing them to new and different people, places, and ideas. SPIRIT will give you skills that will help you succeed in middle school, junior high, and high school so that you can go on to higher education. SPIRIT is not a summer school and students attend by choice.

Who attends SPIRIT?
SPIRIT is for students who have completed the 7th, 8th, and 9th grades in Pawtucket, Central Falls, and Providence who may be thinking about their future and looking for an interesting and stimulating summer experience. Students must be willing to attend five days per week, for six weeks in the summer. Many of our students are members of the College Crusade of Rhode Island and SPIRIT is endorsed and funded in part by the College Crusade of Rhode Island and the Hasbro Summer Learning Initiative, as well as other funders.

What Happens In the Summer?
SPIRIT's summer program will begin on Wednesday, June 27th and last until Friday, August 3rd. Students attend SPIRIT Monday-Friday from 8:30 a.m. - 2:30 p.m. SPIRIT takes place on the independent school campuses of Moses Brown, The Wheeler School, and at Blackstone Academy Charter School. Transportation is provided by school buses and vans for Central Falls and Pawtucket students while most Providence students take public buses (RIPTA) to get to SPIRIT. In the morning, students and teachers work together on projects that stress hands-on learning experiences. No grades are given. Students get out of the classroom often, and among other things, learn to interview people, see new places and things, and meet lots of new friends. Students will be writing every day. Past topics have included "The Arts", "Downtown", "Investigation", "Health and Wellness" and many others. While investigating the topic, students may find themselves conducting surveys, making a video, or meeting with city officials. The idea is to have fun while learning new information and sharpening your skills.

Lunch follows the morning session and in the afternoon students can participate in a range of activities such as basketball, dance, drama, computers, cooking, and bowling. There are special days which focus on personal development, careers and the arts. A train trip and exploration of Boston may occur as well as other field trips. There may also be an optional camping trip. By the end of the summer, students have created many new friendships and learned to have a new perspective about the people and places around them.

What Happens During the School Year?
SPIRIT tries to stay in touch with you as much as possible when you return to school. SPIRIT Saturday Academies, trips to colleges, and other get-togethers are held twice per month. We visit all of our students in their schools to see how they are doing and link them with additional services as needed. If you need help in any areas of your life, we will help you to get the assistance you need.

What Makes SPIRIT Successful?
SPIRIT works because students WANT to be there and because the students/staff ratio is only eight to one. Students get a lot of attention and enjoy it.

What Does It Cost?
Each student that is accepted receives a full scholarship to SPIRIT. In other words, the program is FREE. SPIRIT is a host site for the Rhode Island Summer Food Service which provides free lunch to all students.

How Do I Join? - Attached to this form is an application. Fill it out completely and return it. Space is limited.

Student Behavior Contract

Everyone at SPIRIT (including staff) expects to have fun, learn something, and be safe. Therefore, SPIRIT has some basic rules for students who attend. If you are chosen to attend SPIRIT, you need to agree to these. We expect you will be well behaved and respect both people and property that you encounter. The buildings, vans, buses and equipment we use are all donated to SPIRIT. Any vandalism or poor behavior could result in our losing use of these. Our rules are:

1. Respect all people and property. Follow the requests of staff members.
2. Possession of weapons, alcohol or other drugs will result in dismissal.
3. Fighting, stealing or vandalism will not be tolerated.
4. Smoking is not permitted.
5. Putting down others, rude and disrespectful behavior will not be tolerated.
6. Students should attend every day.

I have read the above rules and understand what is expected of me. I agree to abide by these rules during all SPIRIT activities including bus rides to and from the program.

Who is United Way of Rhode Island?
United Way of Rhode Island administers the Hasbro Summer Learning Initiative. Our summer program, Learning Initiative, which funds 14 programs around Rhode Island.

What is United Way of Rhode Island asking for and why?
We would like your permission to have your child’s school help us track changes in your child’s math and literacy test scores before and after participating in this year’s summer program. We need your permission for the school to release test scores from your child’s student record for Spring 2018 and Fall 2018. Having this information will help us better understand whether our summer program helps students succeed in school.

What types of information does United Way of Rhode Island share?
United Way of Rhode Island will let your child’s school know she/he/they participated in this summer program. Your child’s school will then share with us their Spring 2018 and Fall 2018 test scores. We will work with an evaluator who will analyze the information so we can understand whether students’ math and literacy skills have improved after participating in our summer program.

Who will see my child’s information?
The only people who will see information from your child’s student record are United Way of Rhode Island staff. United Way of Rhode Island places a premium on confidentiality of student data. The evaluators will not see your child’s name, only her/his/their test scores. No evaluation report will reveal information about individual students’ test scores, only averages for all students.

How will United Way of Rhode Island protect my child’s information?
All United Way of Rhode Island staff members receive training in privacy procedures and follow strict guidelines to protect the confidentiality of records. United Way of Rhode Island staff keeps all child records locked in a secure location. All electronic files containing identifiable information will be password protected. Any computer or server hosting such files will also be encrypted. Only United Way of Rhode Island staff will have access to the passwords. United Way of Rhode Island staff will only use secure methods to transfer information.

If I do not give permission, can we still participate in the summer program?
Assessing the summer program’s impact on student learning is important to us. It helps us improve the program, and it helps us maintain funding for the Hasbro Summer Learning Initiative for future years.

However, if you choose not to share this information, you can still participate in the program activities. There are no penalties if you decide that you do not want to share this information.

Who should I contact if I have any questions?
You may contact Joseph Morra at 401-444-0615 / joseph.morra@uwr.org if you have any questions now or in the future about any matter related to the United Way of Rhode Island Hasbro Summer Learning Initiative.
